Sourcing. Import. Export.

Dubai-based commercial support for legally permitted goods. Share your product, quantity, packaging and delivery destination for a written quotation.

Our services

Product sourcing and supplier options
Import and export coordination
Wholesale product supply and international sales

How we work

1. Understand your product requirement and destination.
2. Review supply feasibility and specifications.
3. Confirm a written quotation and order conditions.
4. Coordinate agreed preparation and logistics arrangements.

Commercial experience

Our management brings 15 years of import and export experience, including company management in Turkey, Armenia and the UAE.
